March 2025

The Latest

March has me reflecting on renewal and fresh beginnings. I even spotted a robin during my walk the other day! It's hard to believe that spring break is just around the corner. This is one of the reasons we are moving our March event to April, which means we'll have two exciting events in one month! Note the change for our Friendship and Fun and The Chat at Constance church.

Did you Know ?

Peg is back for *The Chat* April 4th!

Mom of a special needs son and a professor from Bethel University will return in April to further explore **Hope Theory**! In this second session, Peg will provide a brief recap of the introduction to Hope Theory from the February chat and will delve deeper into the Hope continuum.

Awesome Event Alert!

A heartfelt thank you to everyone who joined us for the Friendship and Fun Respite at Jam Hops! This event was our largest to date, with 35 kids

participating, and it appeared that everyone had an amazing time! We also want to extend our gratitude to our wonderful volunteers; your support makes every event a success!
